

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Aniket Shinde	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	Sprint 29 Feb		

Description

WorkflowList()

Request

```
{
  "slice": 4,
  "app": "steeringcommittee",
  "class": "newmember",
  "name": "initialchks",
  "is_active": false,
  "is_internal": true
}
```

where all parameters are optional, and the request block may be empty.

Processing

The caller must have ruleset or root capabilities.

```
If the user does not have root capabilities, then
  if app parameter is present then
    if the named app matches the name of one of the apps for which the user has "ruleset" rights, then
      selectedset = the workflows of that app
    else
      generate "auth" error
    endif
  else
    selectedset = the workflows of all the apps for which the user has "ruleset" rights
  endif
else
  if the app parameter is present then
    selectedset = the workflows of that app
  else
    selectedset = the workflows of all the apps in the realm
  endif
endif
```

The other parameters are all used as filters to pick the rulesets which match.

Response

```
{
  "workflows": [{
    "id": 734,
    "slice": 66,
    "app": "steeringcommittee",
    "class": "members",
    "name": "newmemberchk",
    "is_active": false,
    "is_internal": false,
    "createdat": "some timestamp",
```

```
    "createdby": "some user",
    "editedat": "some timestamp",
    "editedby": "some user"
  }, {
    "id": 2215,
    "slice": 5,
    "app": "steeringcommittee",
    "class": "members",
    "name": "goldstatus",
    "is_active": true,
    "is_internal": false,
    "createdat": "some timestamp",
    "createdby": "some user",
    "editedat": "some timestamp",
    "editedby": "some user"
  }]
}
```

where the response will contain an array of workflow entries, and the fields in each entry will be picked up from the ruleset table.

History

#1 - 17/02/2024 05:26 PM - Shuvam Misra

- Status changed from New to In Progress

#2 - 17/02/2024 05:26 PM - Shuvam Misra

- Target version set to Sprint 29 Feb
