- Status changed from New to In Progress

#4 - 13/03/2024 07:07 PM - Tushar Bhingare

- % Done changed from 0 to 90

- *Status changed from In Progress to Testing*

write wsc for realmsliceNew() Creates a new slice of a realm in caller's realm.

if copy is specified and belongs to the same realm, then it will make a complete copy of all schema and rulesets from the source slice.

If app is specified, then instead of a complete copy, all schema of only the listed apps, and all rulesets associated with those schema, will be copied.

write automated test cases using test container

#5 - 15/03/2024 05:31 PM - Tushar Bhingare

- *% Done changed from 90 to 100*

- *Status changed from Testing to Closed*
