Crux: BRE/WFE - Task #17960

UI: test-run a workflow

17/02/2024 07:07 PM - Shuvam Misra

Status:	Rework		**Start date:**	
Priority:	Normal		**Due date:**	14/04/2024
Assignee:	Adarsh Shukla		**% Done:**	20%
Category:			**Estimated time:**	0.00 hour
Target version:	Sprint 12 Apr			

Description

Accept attributes and values for an entity, validate the entity against a schema, then submit it to a workflow (which will be selected by slice/workflow name), and call WFinstanceTry() with trace on.

This task will require parsing of the Level-1 tracedata output from the call response, and display of this trace data in appropriate format.

History

#1 - 18/02/2024 01:09 AM - Shuvam Misra

- Description updated

#2 - 27/03/2024 05:34 PM - Adarsh Shukla

- Assignee set to Sachin Divekar

#3 - 03/04/2024 06:19 PM - Shuvam Misra

- Has duplicate Task #18176: Testing workflows added

#4 - 03/04/2024 06:20 PM - Shuvam Misra

- Status changed from New to Dropped

It is a duplicate of another task

#5 - 03/04/2024 06:21 PM - Shuvam Misra

- Assignee changed from Sachin Divekar to Sufiyaan Shaik

- Status changed from Dropped to Rework

#6 - 03/04/2024 06:22 PM - Shuvam Misra

- Has duplicate deleted (Task #18176: Testing workflows)

#7 - 03/04/2024 06:22 PM - Shuvam Misra

It needs to be done. UI needs to be developed to invoke InstanceNew and MarkDone with tracing on.

#8 - 03/04/2024 06:23 PM - Shuvam Misra

- Target version changed from Sprint 29 Mar to Sprint 12 Apr

- Due date changed from 29/03/2024 to 14/04/2024

#9 - 04/04/2024 06:29 PM - Sufiyaan Shaik

- Assignee changed from Sufiyaan Shaik to Adarsh Shukla

Started with logHarbour screen today, need to discuss this task with sachin tommorrow(Friday),and we will start this task

#10 - 24/05/2024 05:58 PM - Adarsh Shukla

Started working on this issue.

#11 - 30/05/2024 06:08 PM - Adarsh Shukla

- % Done changed from 0 to 20

Created one POC code to visually display trace data in UI using HTML5 canvas tag, tested it with some dummy data. Which is working as expected.
